HOLE IN WHITE

T H E O R I G I N A L

- Set cup protector on inside lip of cup.
- Position device over freshly cut hole.
- Slide Hole In White turf whitener into position over device.
- To activate spray nozzle, simply press down on can and turn in uniform manner.
- Adjust spray height with screw in bottom of device.
- The entire process is finished in seconds and does not harm the turf.
- Hole In White paint is specifically formulated and will yield approximately 80 holes per can.
